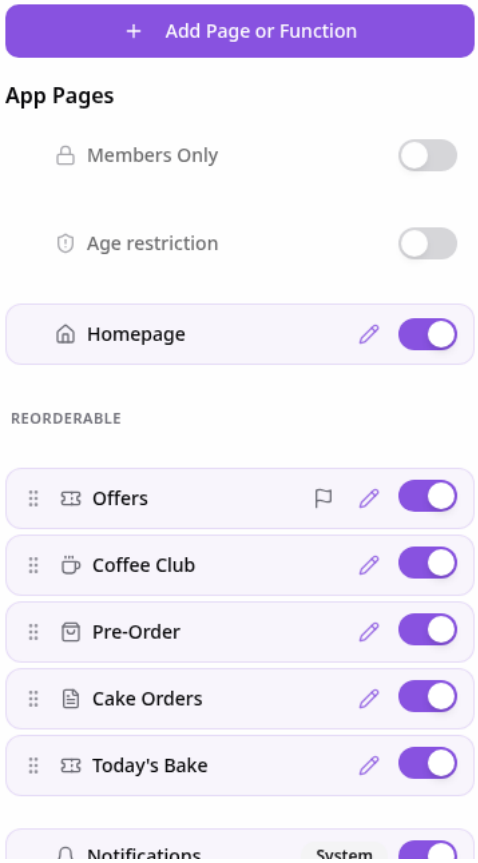
Create a loyalty stamp card

1. Open Pages

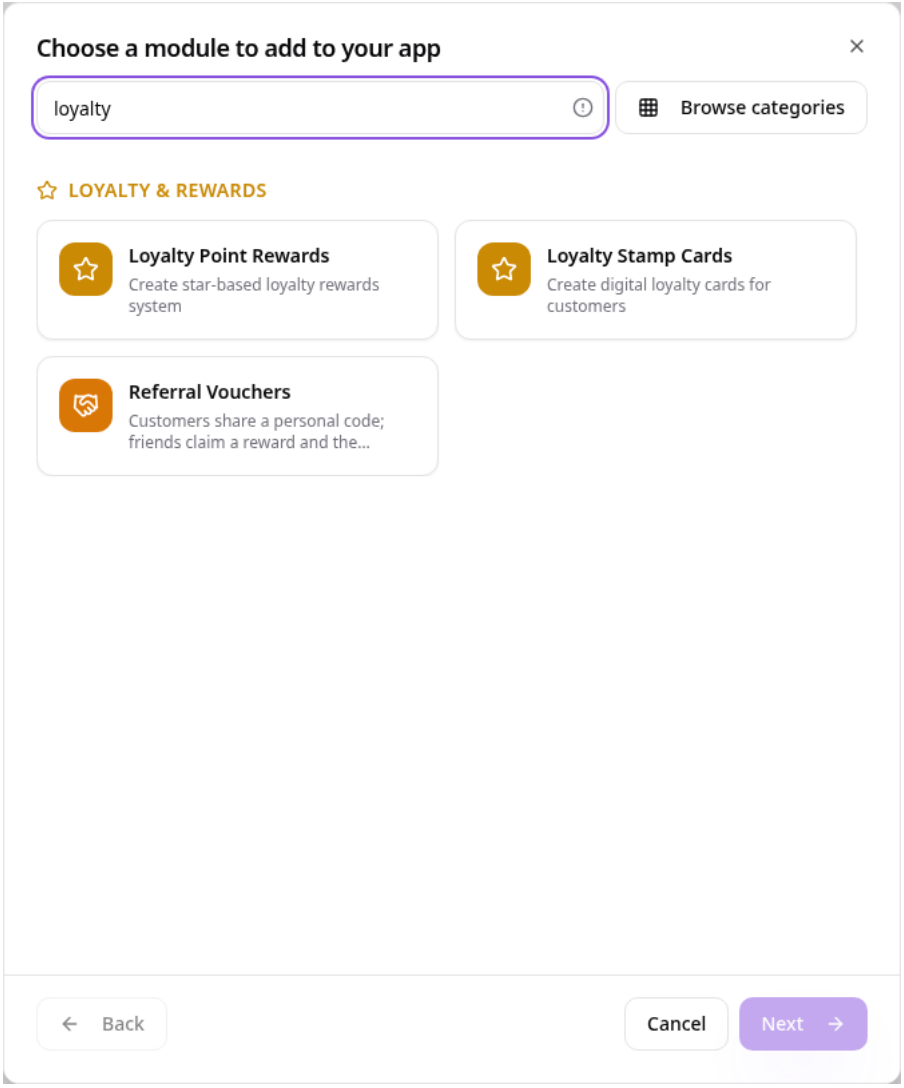
In your app editor, open Pages and tap Add Page or Function.



Create a loyalty stamp card

2. Choose Loyalty Stamp Cards

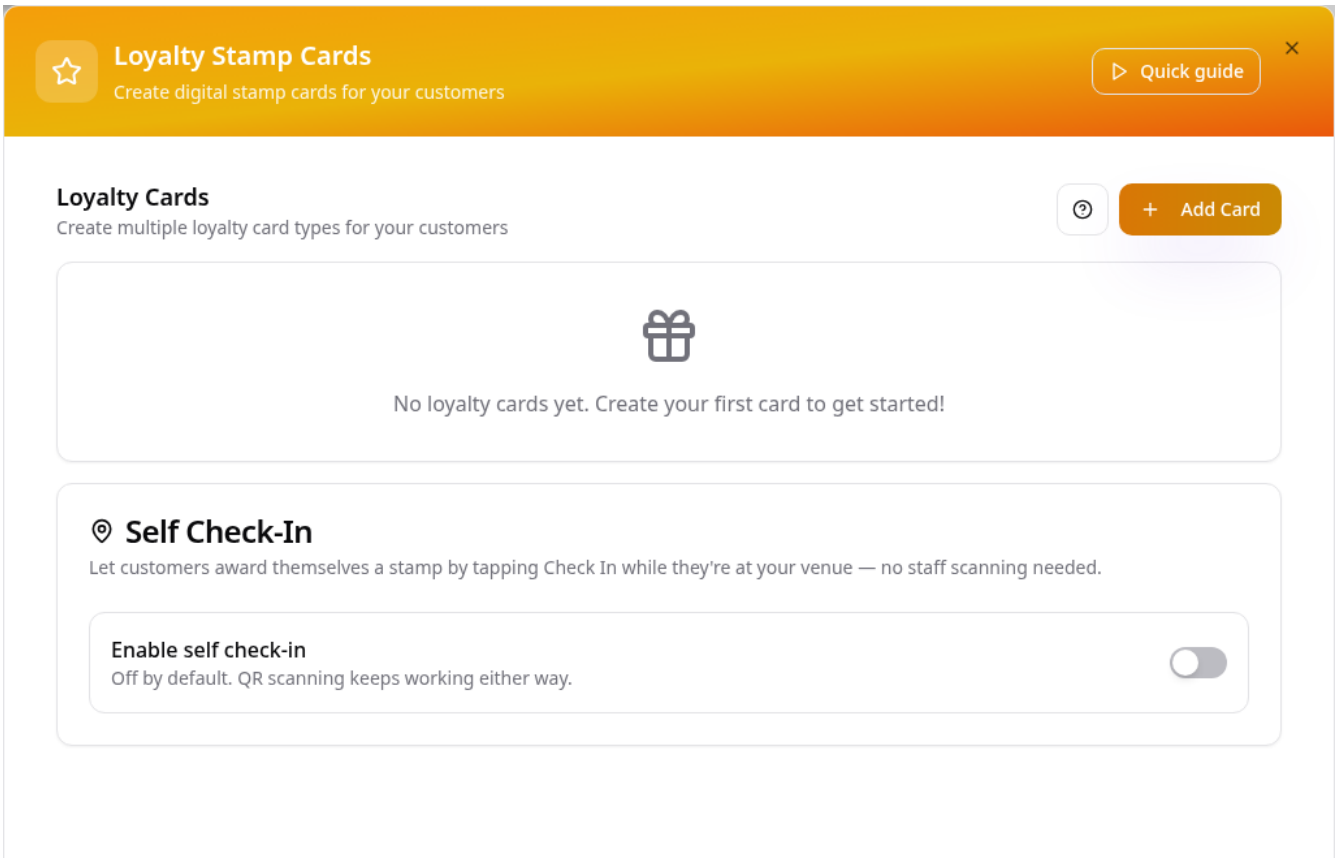
Search “loyalty” and tap Loyalty Stamp Cards.



Create a loyalty stamp card

3. Add a card

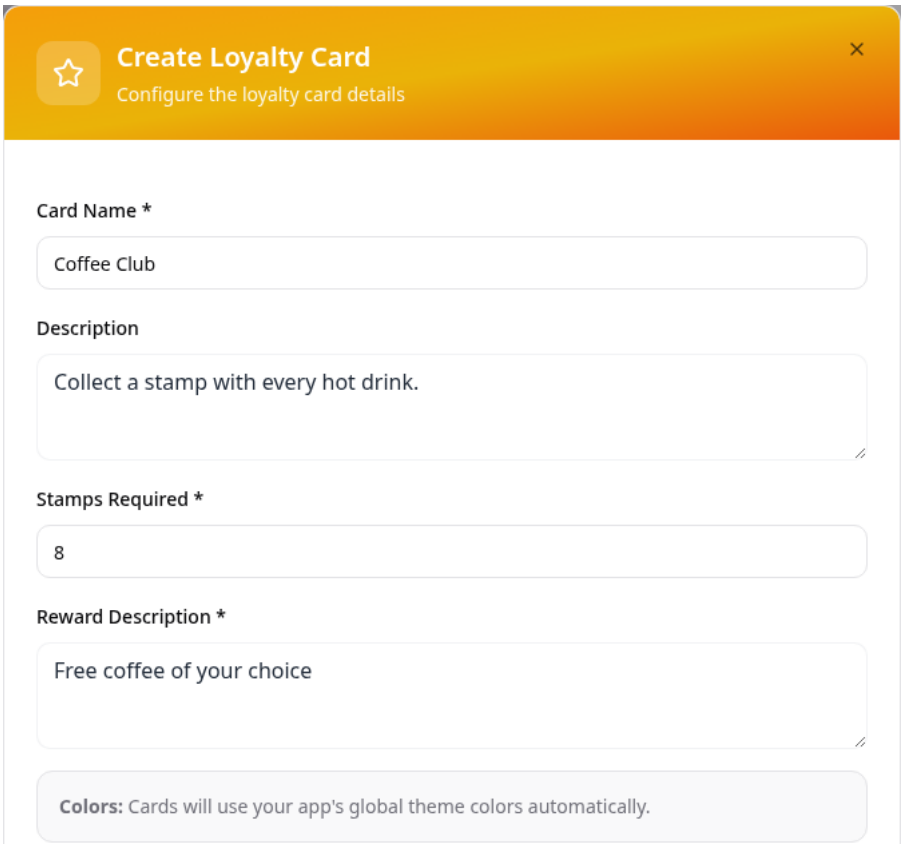
Tap Add Card.



Create a loyalty stamp card

4. Set stamps and reward

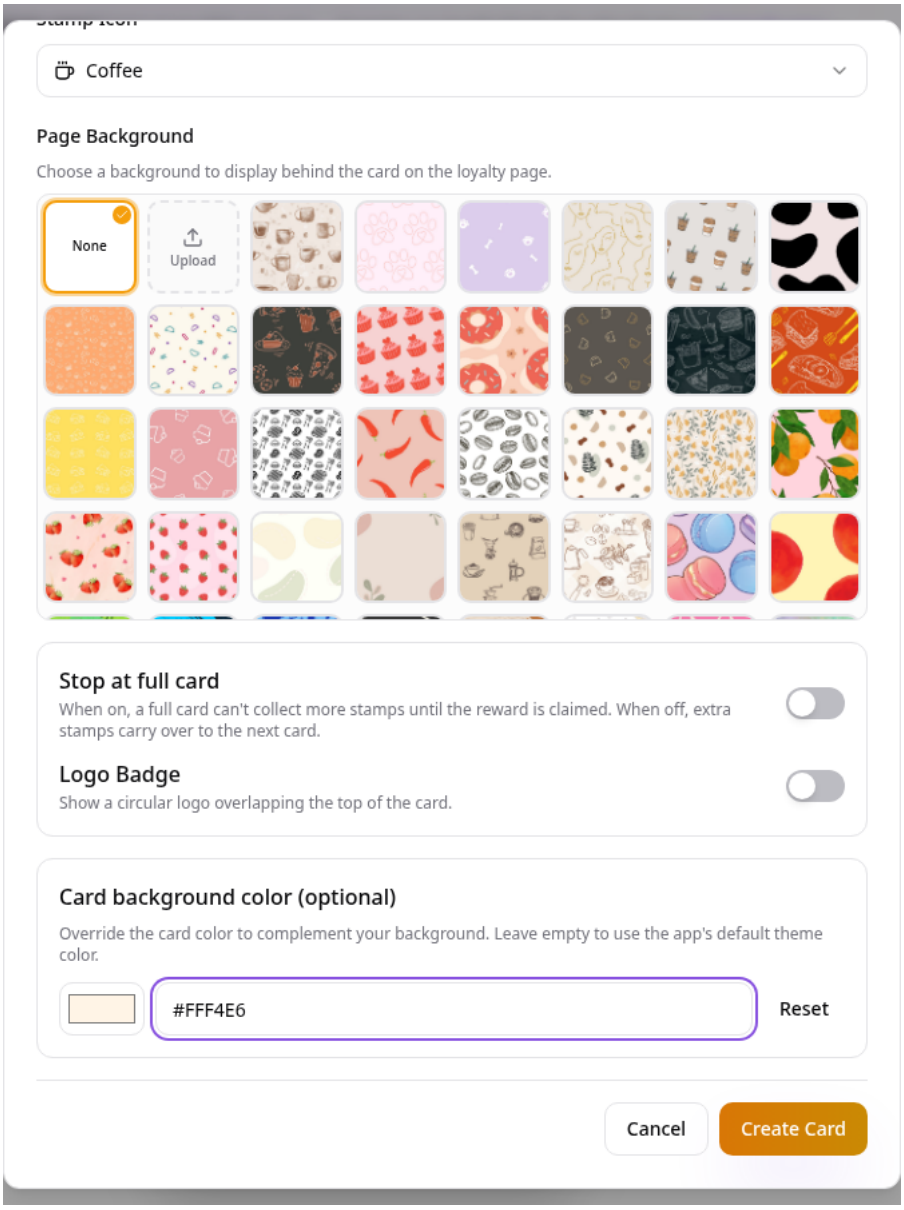
Enter a card name, how many stamps are needed and the reward.



Create a loyalty stamp card

5. Style the card

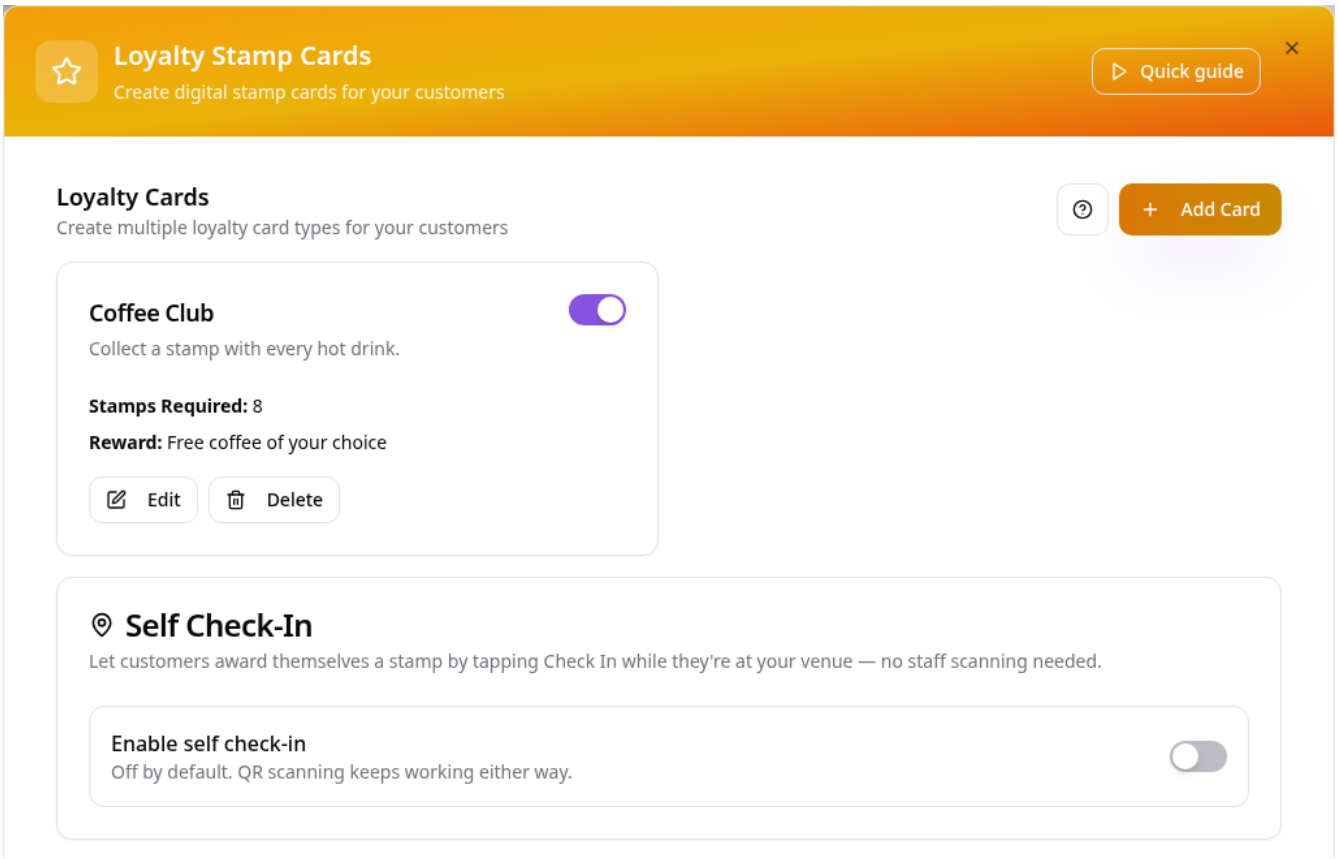
Pick a stamp icon and page background, and set a card colour your text stands out on. Tap Create Card.



Create a loyalty stamp card

6. Your card is ready

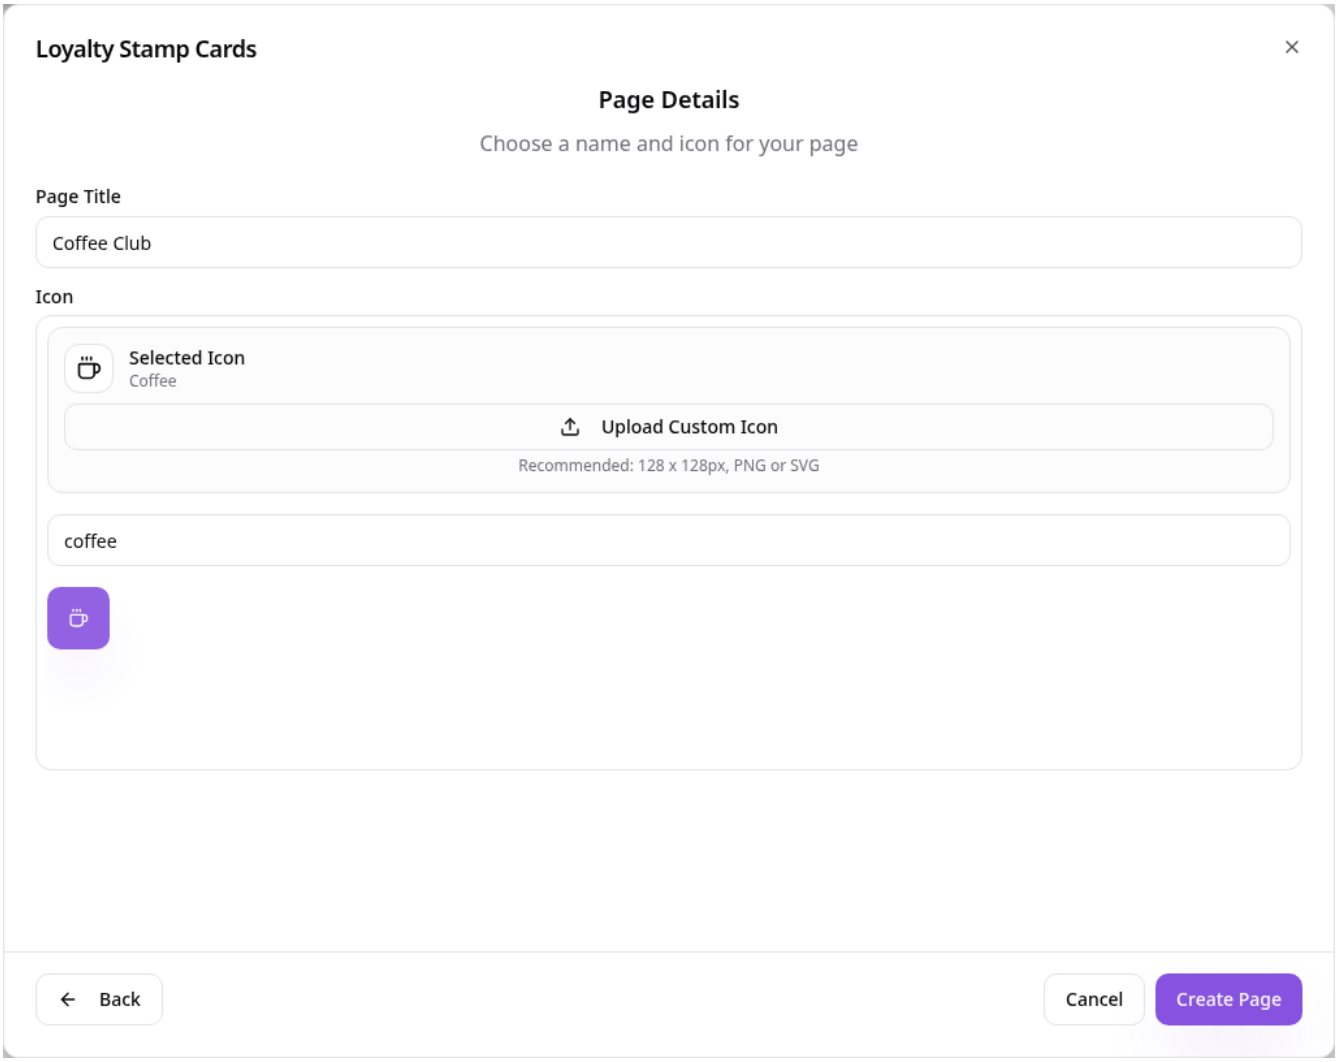
Your card appears in the list. Tap Next.



Create a loyalty stamp card

7. Name the page

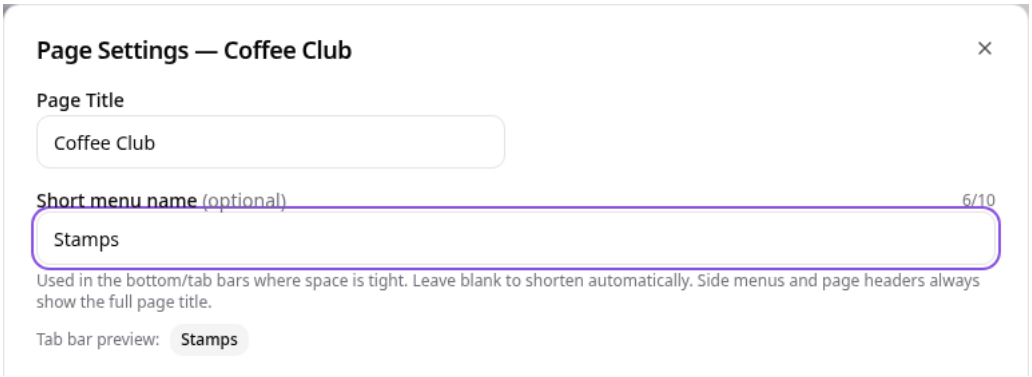
Give the page a name, choose an icon and tap Create Page.



Create a loyalty stamp card

8. Set a short tab name

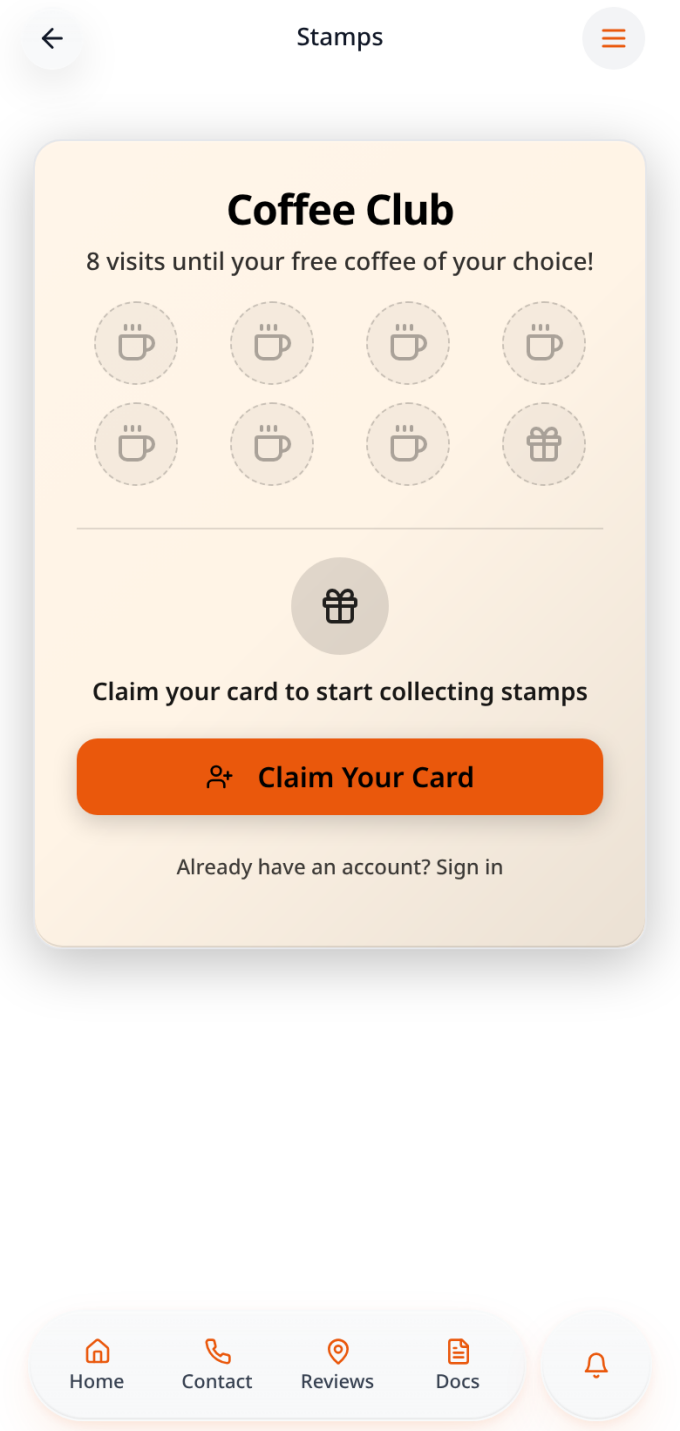
Tap the page in Pages, choose Edit Page Settings and add a short menu name so it fits the tab bar.



Create a loyalty stamp card

9. See it in your app

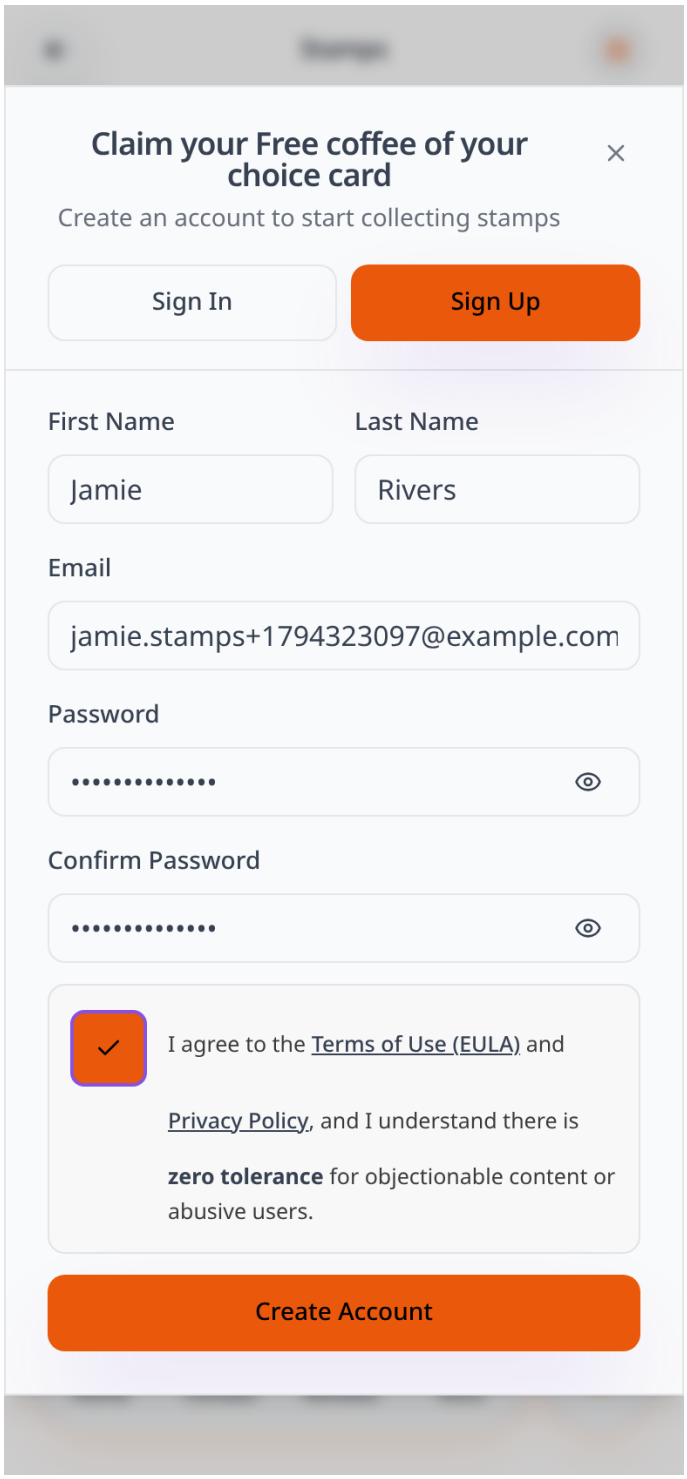
Customers open the page and tap Claim Your Card.



Create a loyalty stamp card

10. Customer signs up

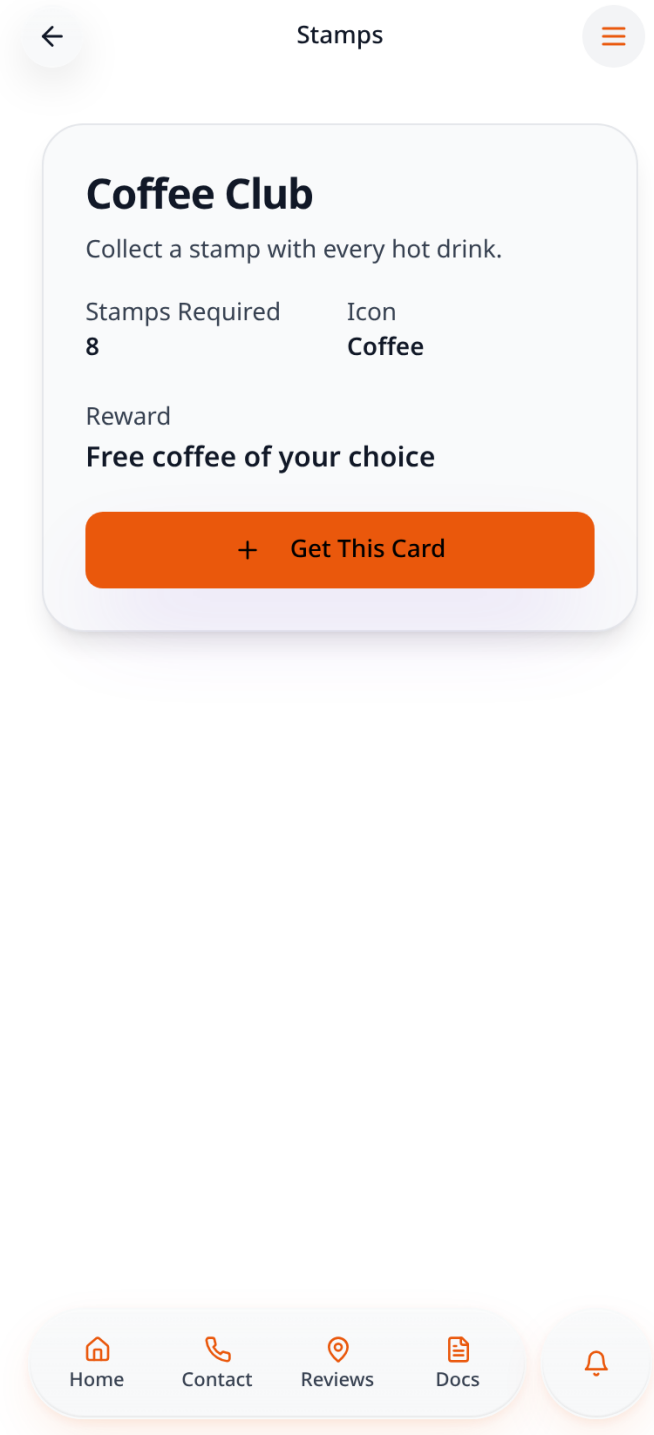
New customers create a free account; existing ones tap Sign In.



Create a loyalty stamp card

11. Get the card

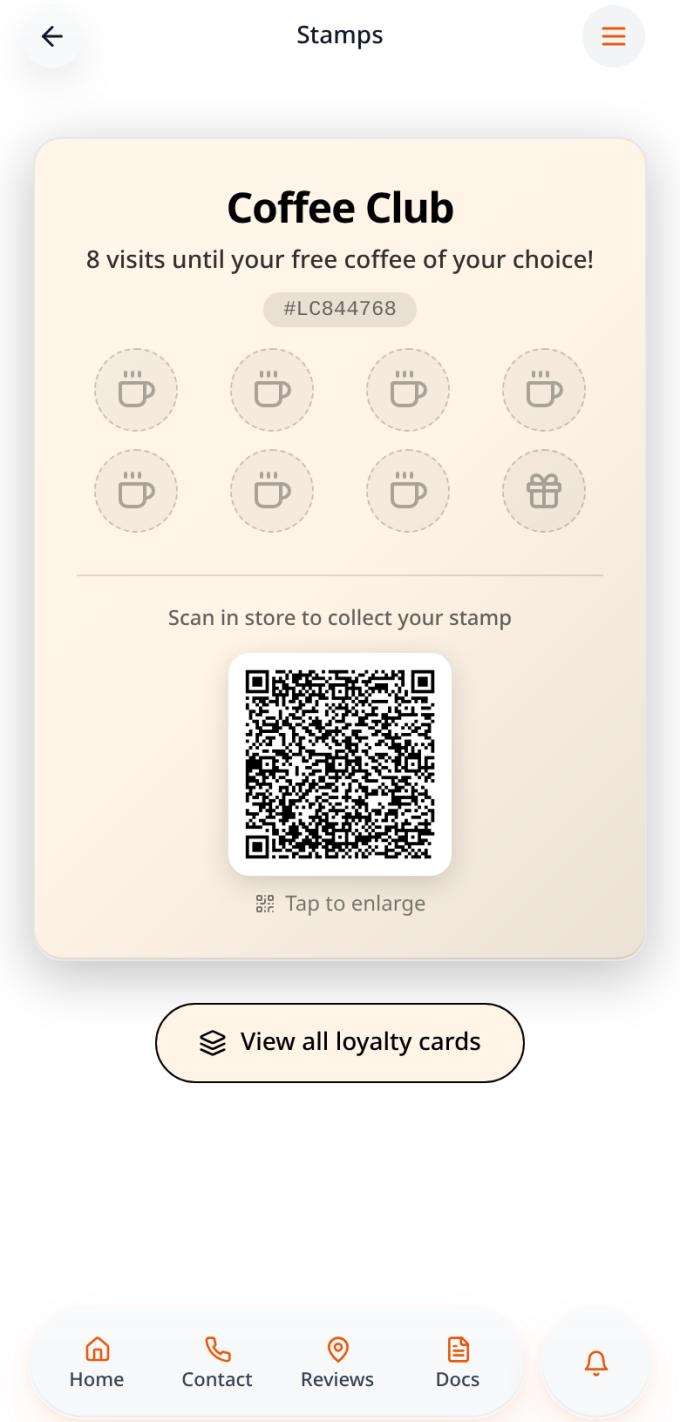
They check the card details and tap Get This Card.



Create a loyalty stamp card

12. Their card and QR code

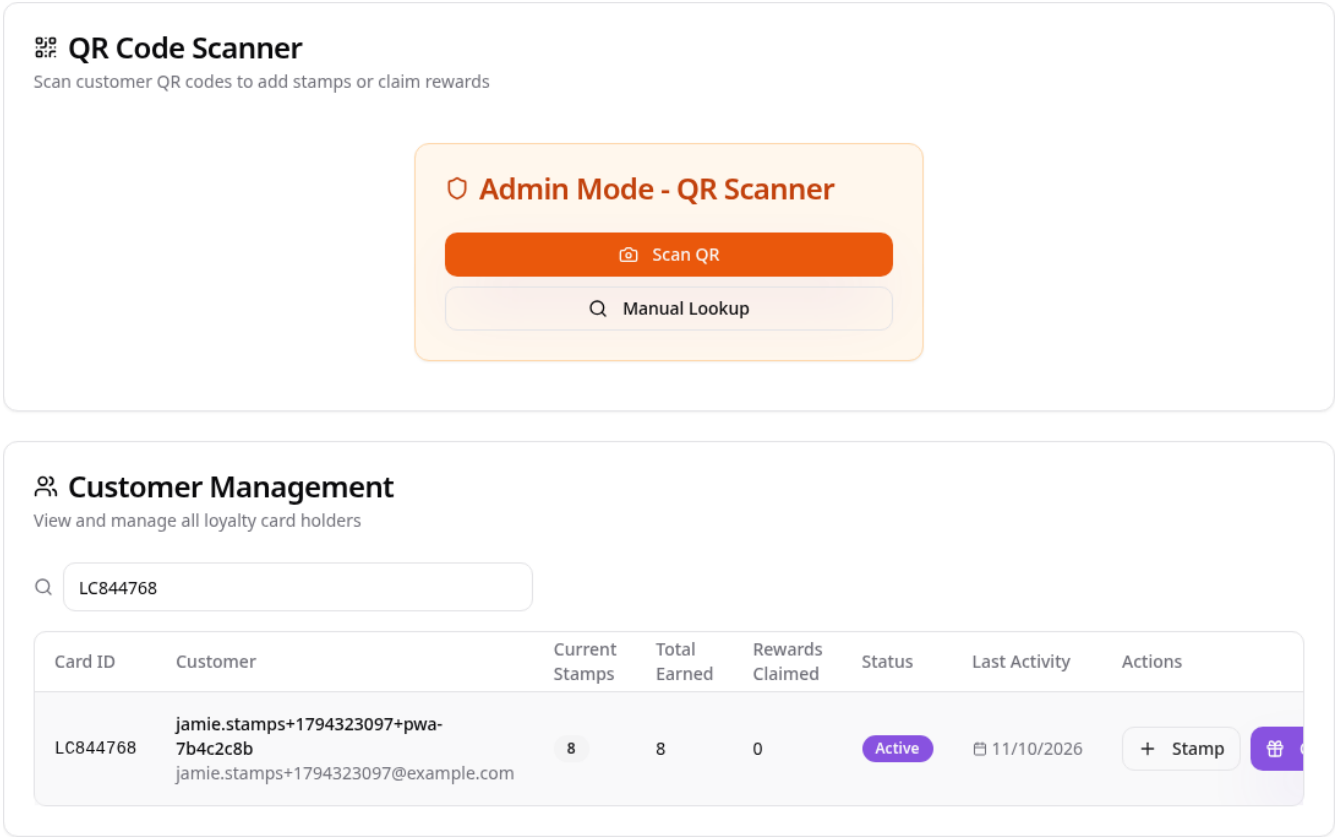
Each card has its own ID and QR code to show in store.



Create a loyalty stamp card

13. Add stamps

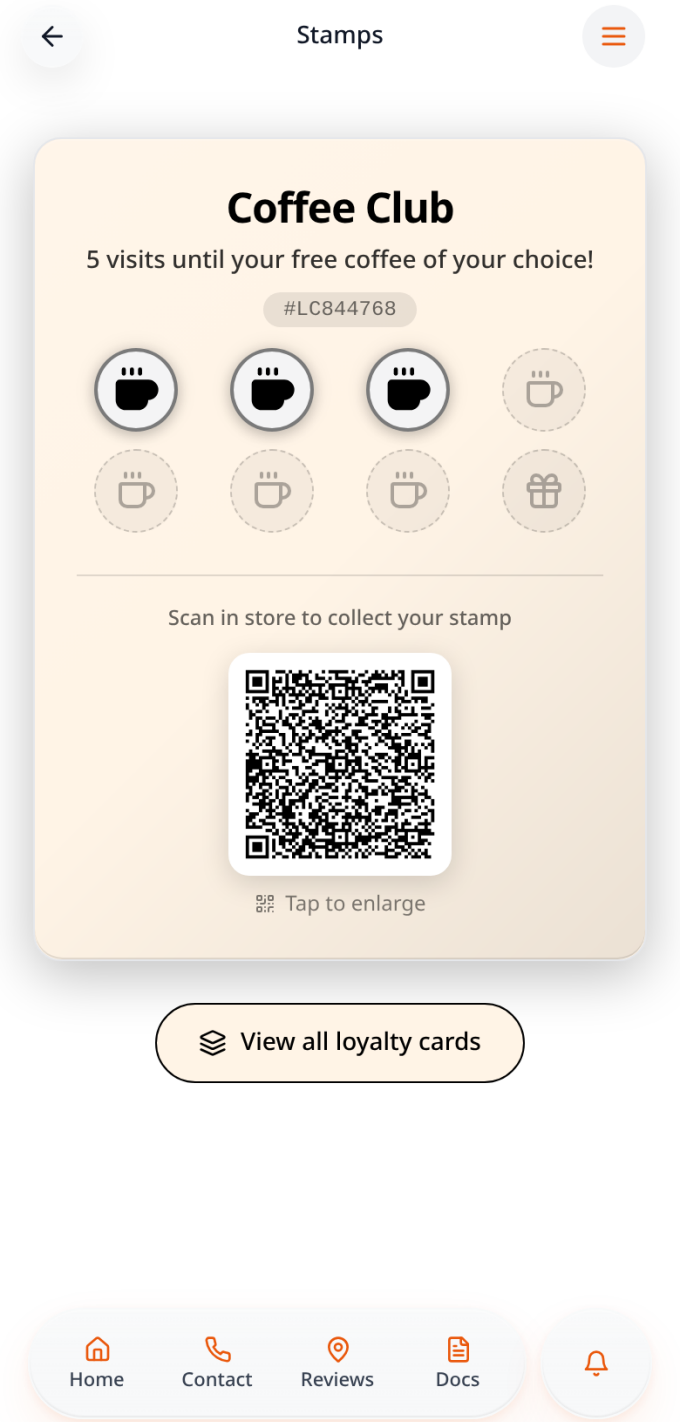
In Data Manager, open Loyalty. Tap Scan QR, or search the card ID and tap Stamp.



Create a loyalty stamp card

14. Stamps appear instantly

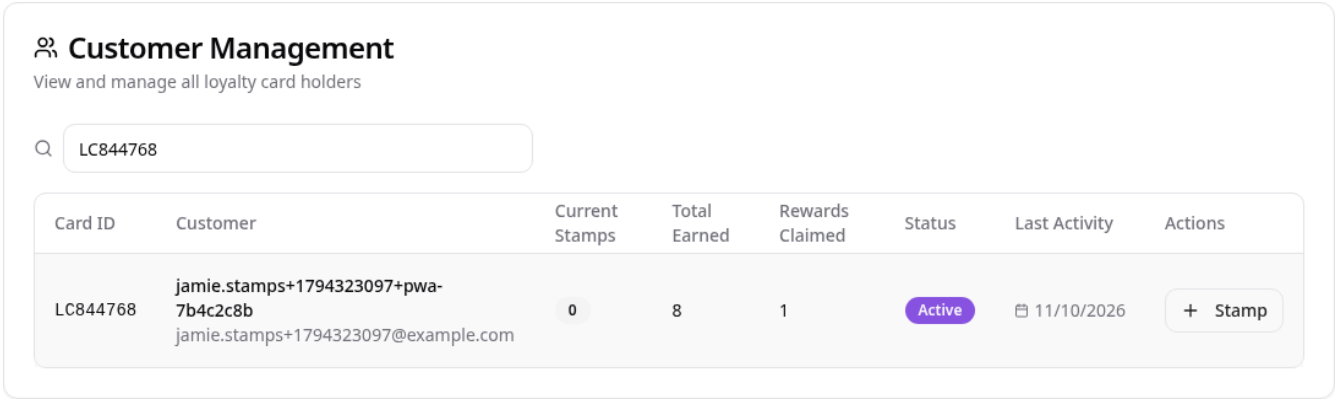
The customer sees each stamp and how many visits are left.



Create a loyalty stamp card

15. Redeem the reward

When the card is full, tap Claim. The reward is recorded and the card starts again.



To change a card later, open its page in Pages and choose Edit Page Content. Turn on Self Check-In if you'd like customers to stamp their own card at your venue.
