

Create a loyalty stamp card

1. Open Pages

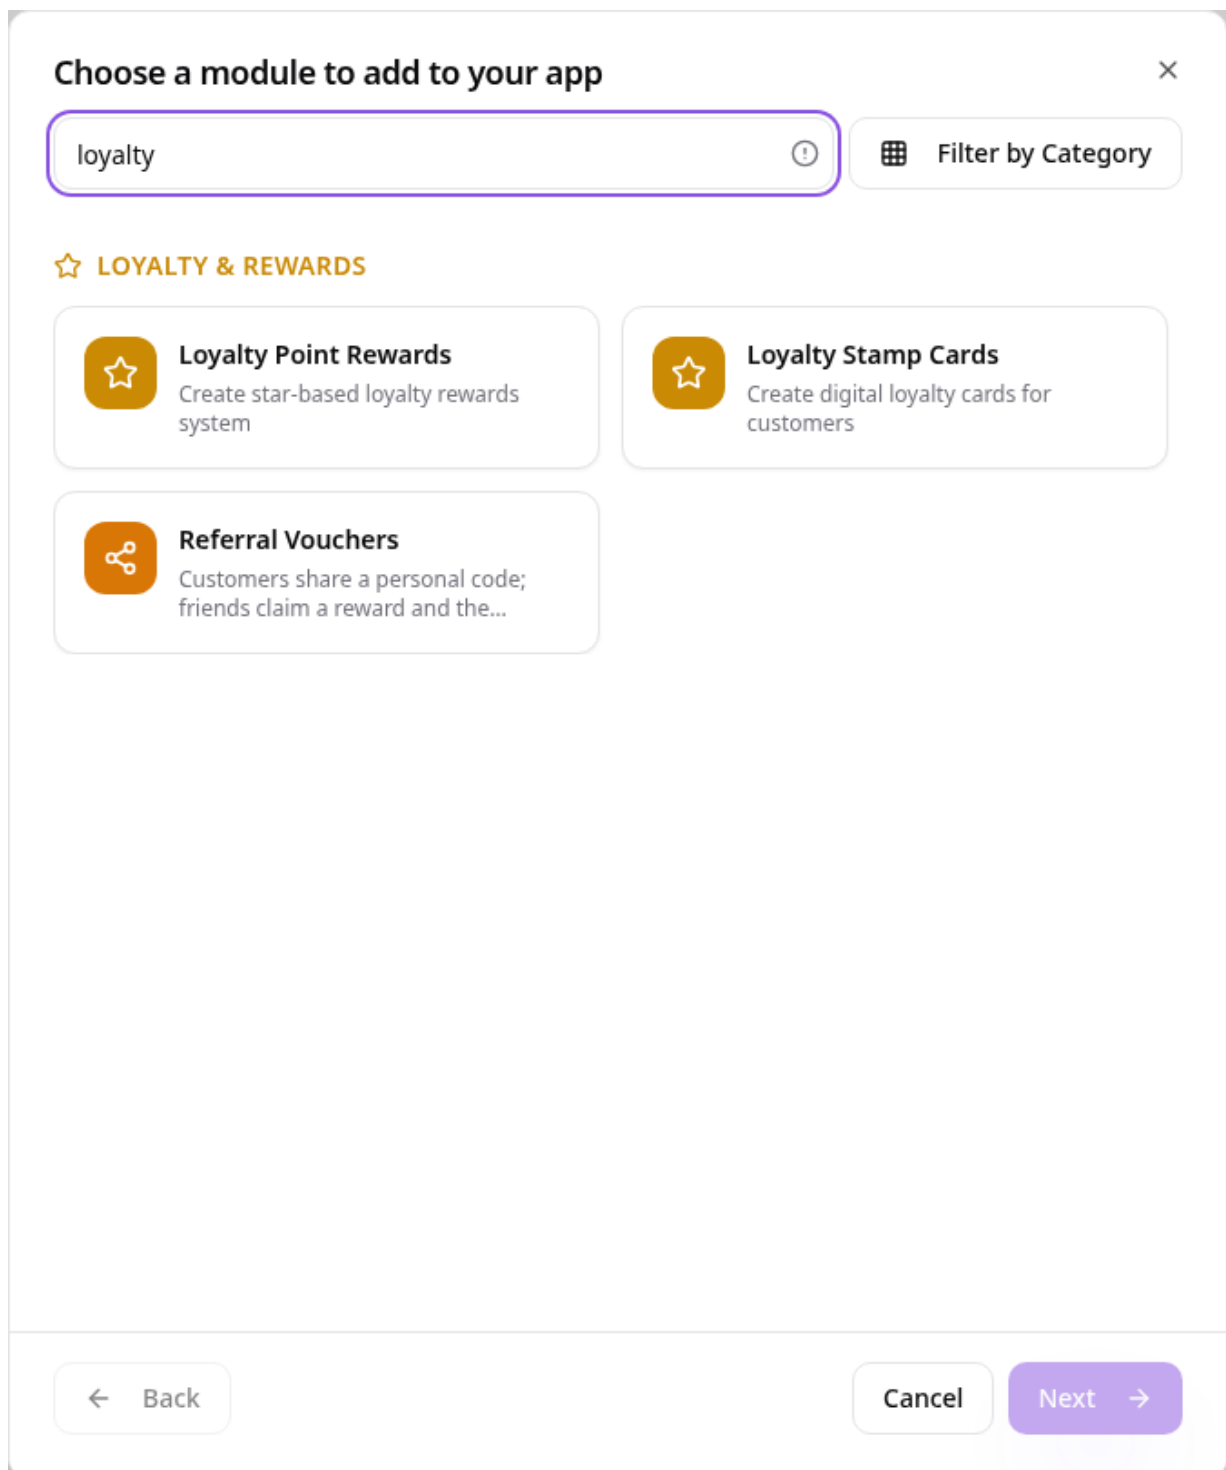

In your app editor, open Pages and tap Add Page or Function.

Create a loyalty stamp card

2. Choose Loyalty Stamp Cards

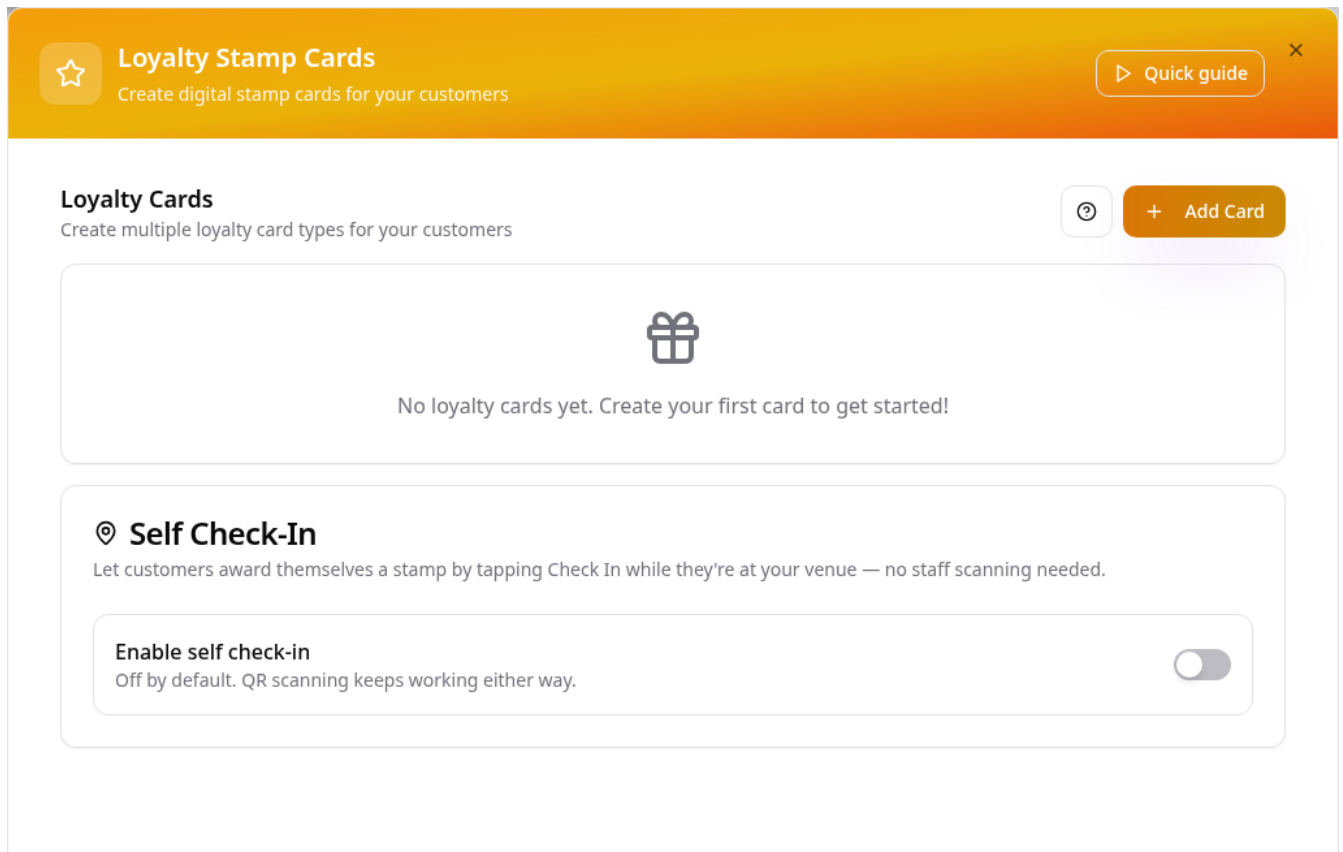

Search “loyalty” and tap Loyalty Stamp Cards.

Create a loyalty stamp card

3. Add a card

Tap Add Card.

Create a loyalty stamp card

4. Set stamps and reward

Enter a card name, how many stamps are needed and the reward.

Create Loyalty Card

Configure the loyalty card details

Card Name *

Coffee Club

Description

Collect a stamp with every hot drink.

Stamps Required *

8

Reward Description *

Free coffee of your choice

Colors: Cards will use your app's global theme colors automatically.

Create a loyalty stamp card

5. Style the card

Pick a stamp icon and background, and a card colour your text stands out on. Tap Create Card.

Stop at full card
When on, a full card can't collect more stamps until the reward is claimed. When off, extra stamps carry over to the next card.

☐

Logo Badge
Show a circular logo overlapping the top of the card.

☐

Card background color (optional)
Override the card color to complement your background. Leave empty to use the app's default theme color.

8. Set a short tab name

Tap the page in Pages, choose Edit Page Settings and add a short menu name so it fits the tab bar.

Page Settings — Coffee Club

×

Page Title

Coffee Club

Short menu name (optional) 6/10

Stamps

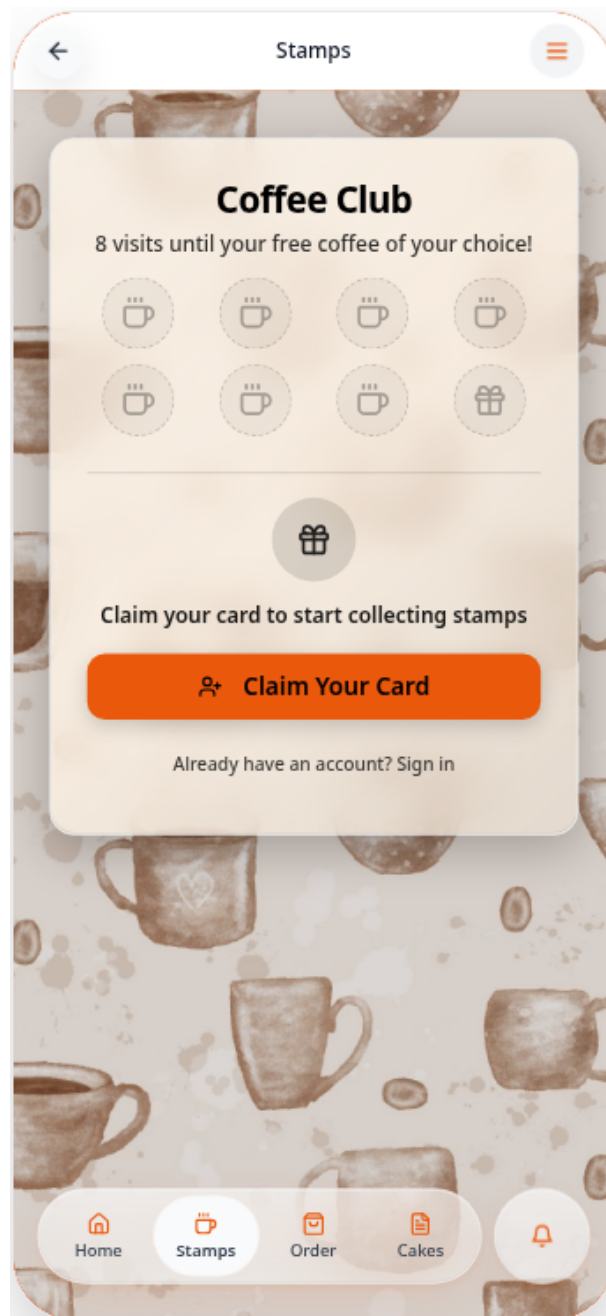

Used in the bottom/tab bars where space is tight. Leave blank to shorten automatically. Side menus and page headers always show the full page title.

Tab bar preview: Stamps

Create a loyalty stamp card

9. See it in your app

Customers claim the card and collect a stamp each visit.

That's it. To add stamps, scan the customer's QR code in Data Manager, or turn on Self Check-In.
