5. Sign in to the app

Customers sign in or create an account before sending a form they want to keep.

Add My Submissions

6. Submit a form

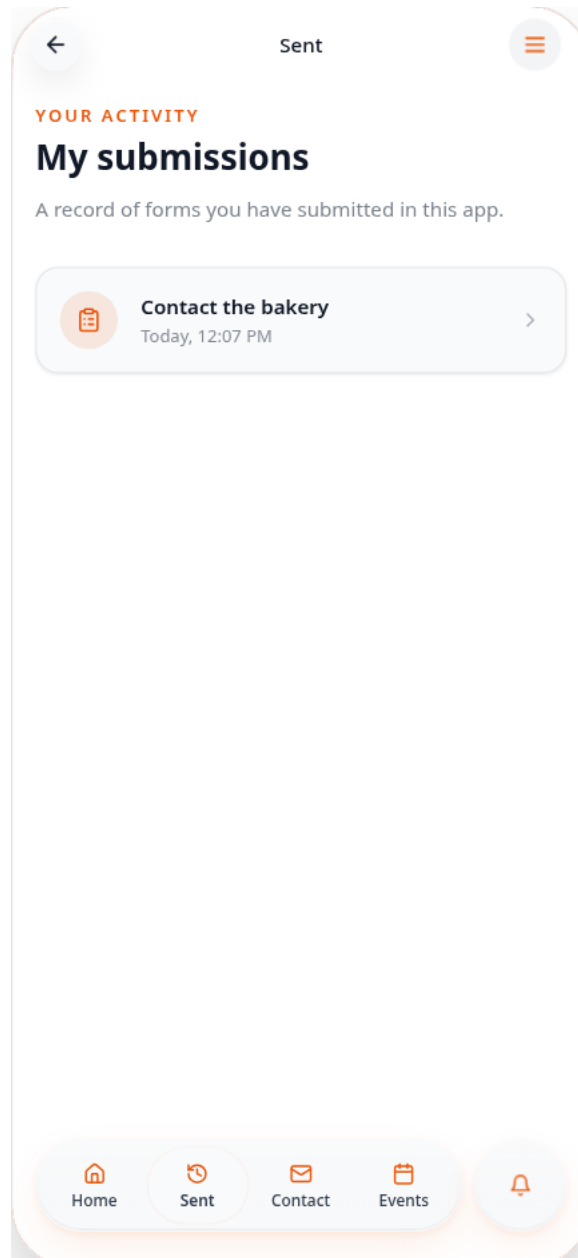

While signed in, open the form, fill in your answers and tap its submit button (Send message here).

The screenshot shows a mobile application interface for a 'Contact' form. At the top, there is a header bar with a back arrow on the left, the title 'Contact' in the center, and a menu icon on the right. Below the header, the text 'Have a question? Send us a message.' is displayed. The form consists of three input fields: 'Your name *' with the value 'Alex Morgan', 'Email address *' with the value 'alex.morgan.guide@example.com', and 'Your message *' with the text 'Hello! Could you tell me which breads will be available this Saturday? I would like to pick up a sourdough loaf and some rolls for a family lunch. Thank you.' Below the message field is a large orange button labeled 'Send message'. At the bottom of the screen is a navigation bar with five icons: 'Home' (house icon), 'Sent' (clock icon), 'Contact' (envelope icon), 'Events' (calendar icon), and a bell icon for notifications. The 'Contact' icon is highlighted with a white background.
